

*cantina*  
**FRENTANA**  
1958

**Name:** Cerasuolo d'Abruzzo DOC

**Line:** Costa del Mulino

**Type:** Rosè Wine

**Alcohol Content:** 13,00 % alc./vol.

**Closing:** Cork

**Type of soil:** medium textured soil, clay, with a good balance between silt and sand.

**Geographic position of the Vineyards:** municipality of Rocca San Giovanni (CH), most suited hills overlooking the Trabocchi coast, Southern aspect and an elevation of about 150 meters above the sea level .

**Harvest:** handmade, second decade of October.

**Vinification:** soft pressing of the grapes, maceration with a limited contact with the skins and fermentation at controlled temperature.

**Maturation and aging:** in steel for about 6 months followed by a further maturation in bottles.

**Technical description:** A vivid cherry red colour combined with a scent of berries like raspberry and currant. The palate is round, full bodied but harmonic and well balanced.

**Lifespan of wine:** if properly stored, this wine keeps its integrity for 2-3 years.

**Temperature of Service:** 12-14°C
